Through

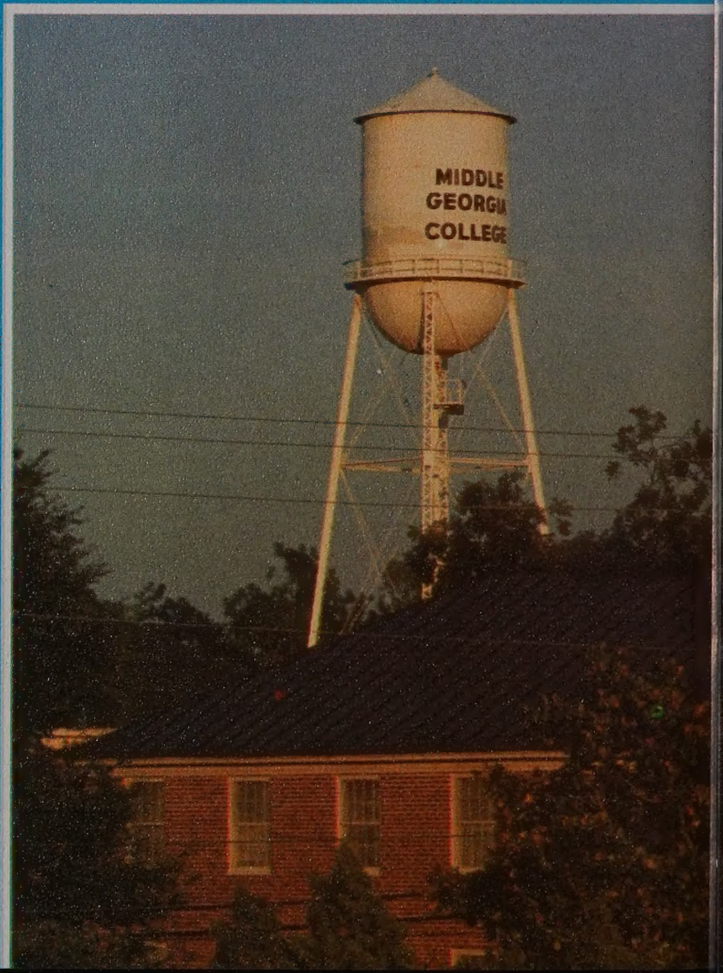

Through the years, Middle Georgia College has been home for countless thousands upon thousands of students.

Whether they stayed for just one quarter or until they received that MGC sheepskin, *through the years* Middle Georgia College has held a special place in the hearts and minds of her students.

The academic reputation of Middle Georgia College is

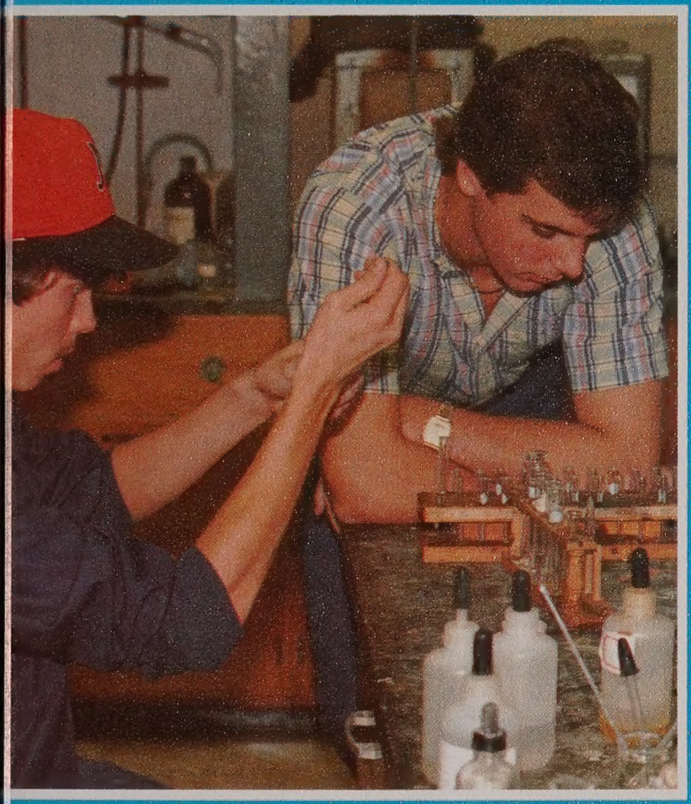

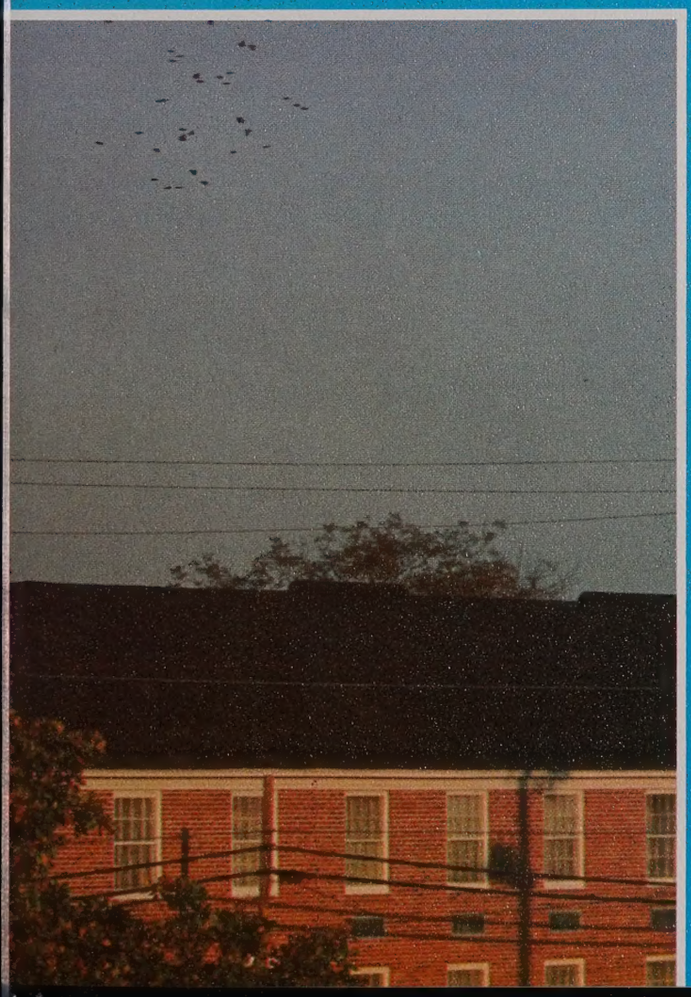

The Years

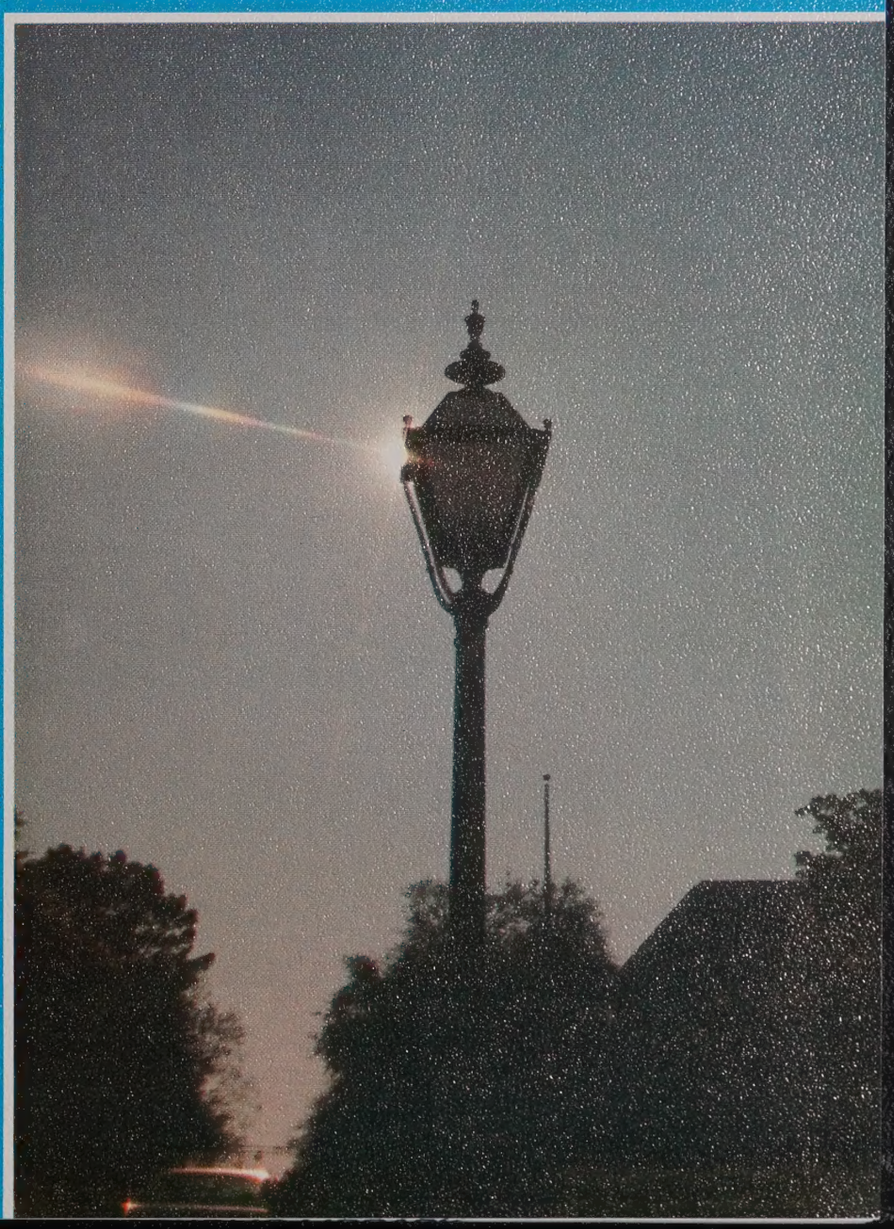

a major reason many students come to MGC. For others, the reasons could be the location, the activities, the sports, or just the people.

Whatever the reason, Middle Georgia College, *through the years,* will hold a special place in your heart and mind, too!

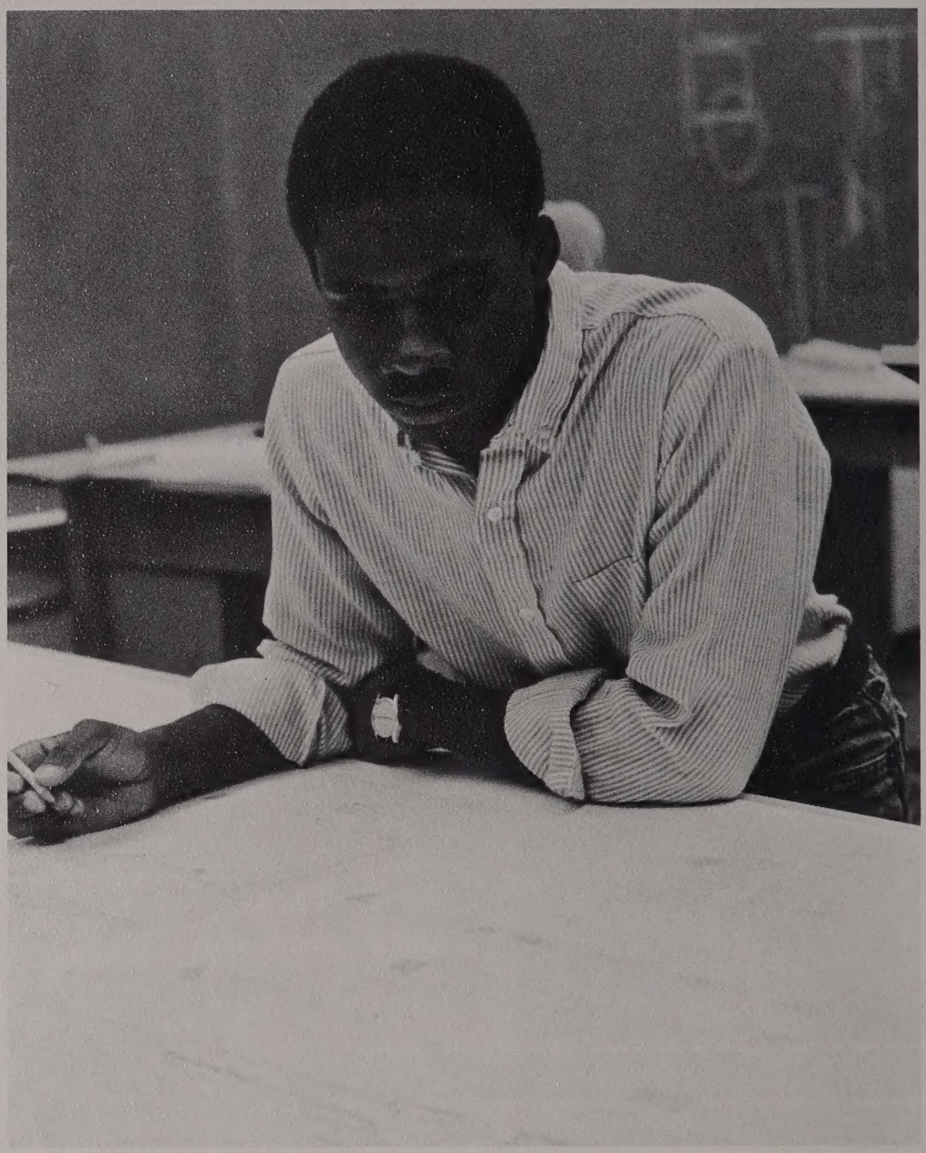

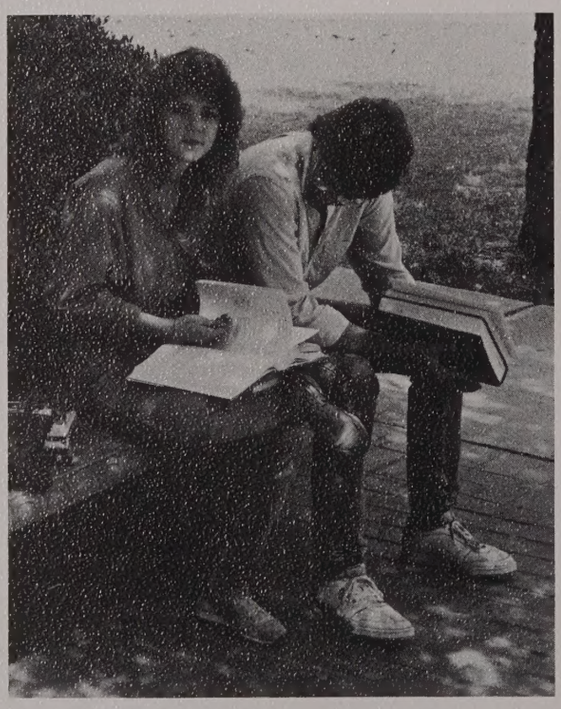

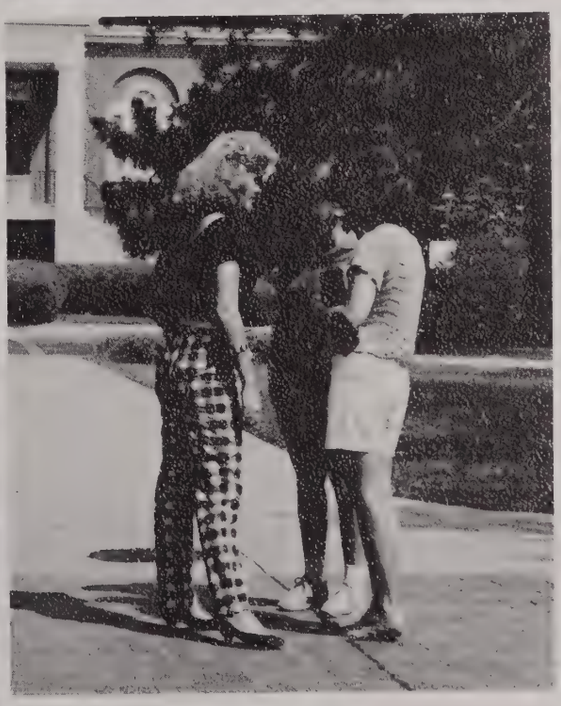

Halloween Club Carnival

Halloween Costume Dance

Gilda Driggers, *Homecoming Queen,* and Leslie Steele, *Maid of Honor*

1984 Homecoming Court

Activities

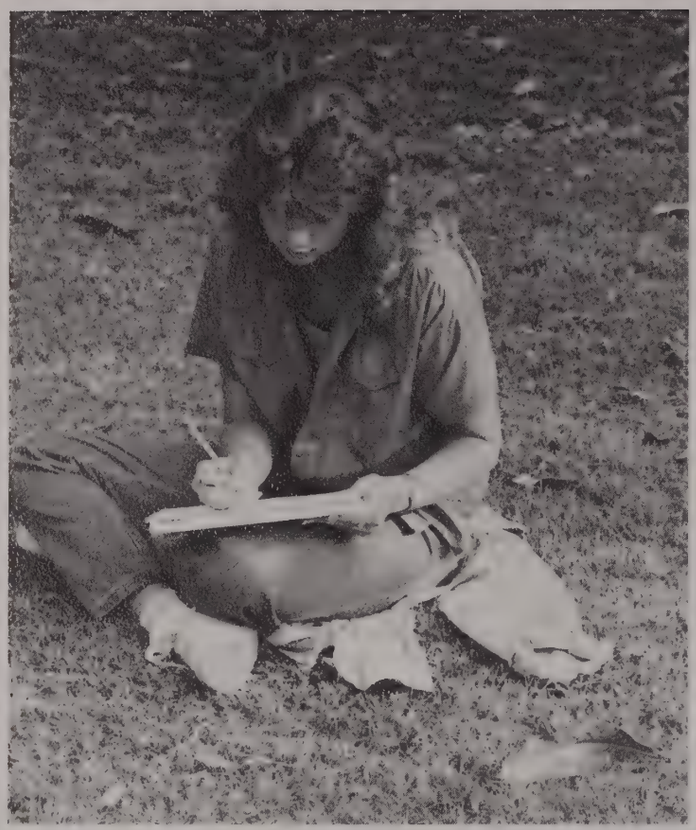

Through the years, activities at Middle Georgia College have grown to be an important part of college life.

From the *Halloween dance and carnival* to the *Miss Middle Georgia College Pageant,* MGC activities give students the opportunity to develop leadership activities while providing a much-needed break from the books.

The Middle Georgia Players present *The Boyfriend*

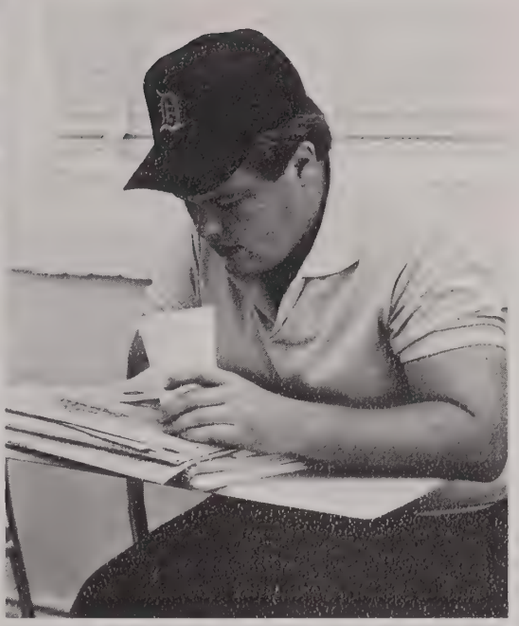

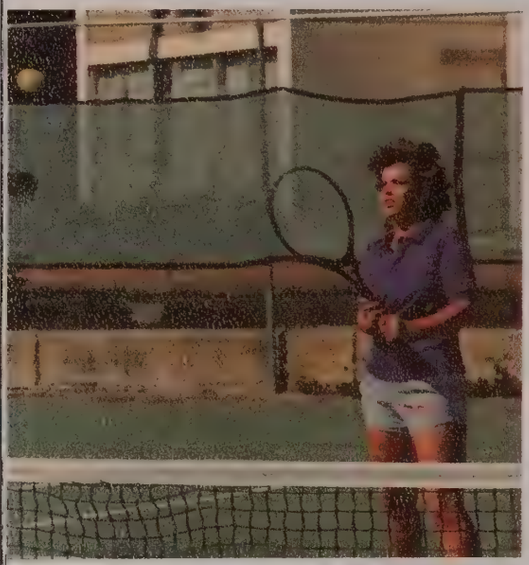

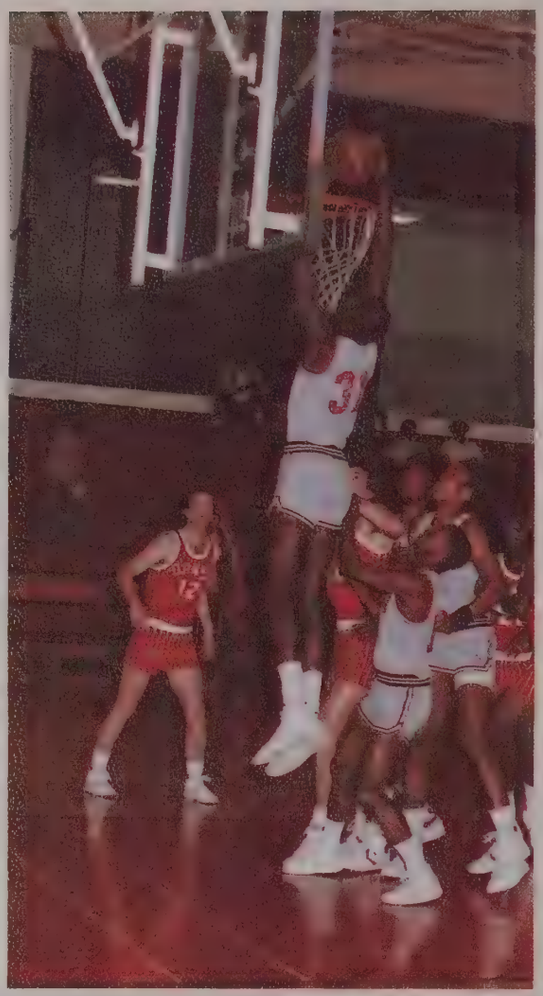

Sports

Through the years, Middle Georgia College has become known as a leader not only in academics, but in junior-college sports.

For the nationally ranked Warrior baseball program to the number-two basketball team in the state, Middle Georgia College and winning sports teams are one in the same.

Fall Quarter

Orientation

Orientation is the incoming freshman's or transfer sophomore's first chance to really get a feel for Middle Georgia College.

Most of the new students attend one of the three summer orientation session, but many choose to come early and attend a session before classes begin in September.

During the orientation session, the students are exposed to the college administration. They are instructed in the basic rules and regulations that govern student life at MGC. Finally, they receive advisement, and they register for classes.

Registration

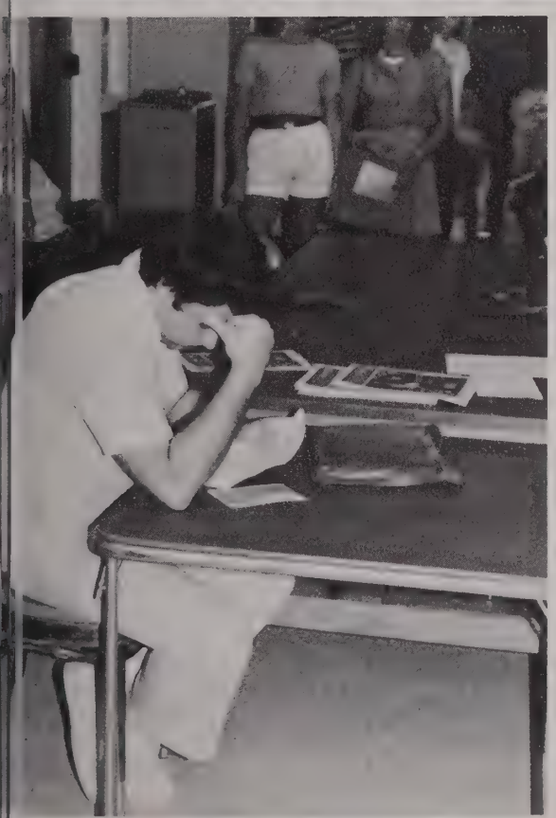

For the new student, registration could be the most difficult part of college. For the returning student, it is just something that has to be.

Lines ... Lines ... Lines ... They never seem to end during registration. There are lines to pay fees, lines to arrange classes, lines to have ID cards made, lines to buy books, and lines to get a meal card.

Eventually, the lines just become a fact of life for registration.

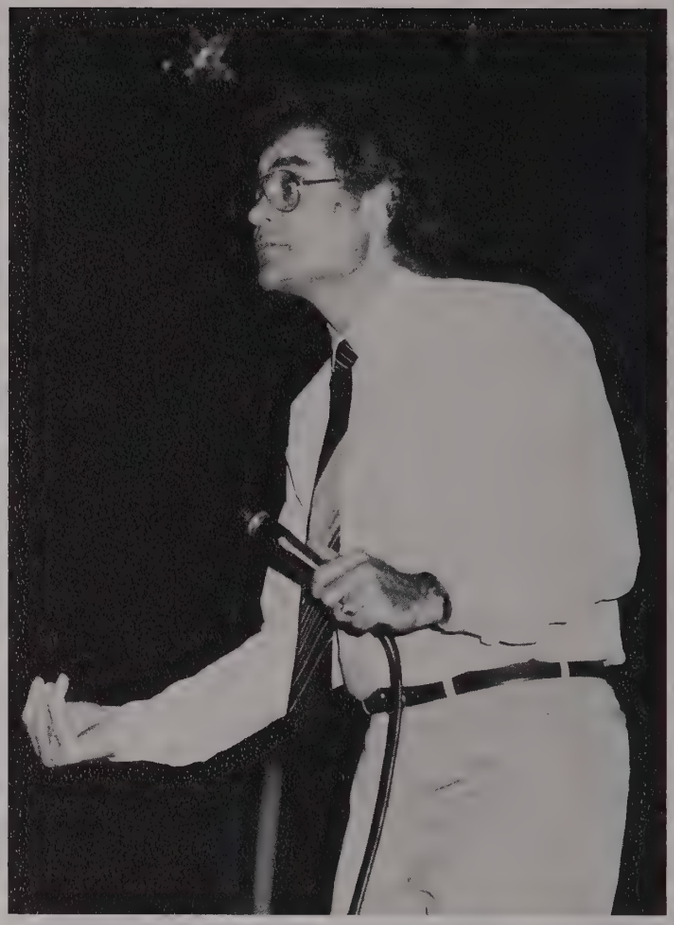

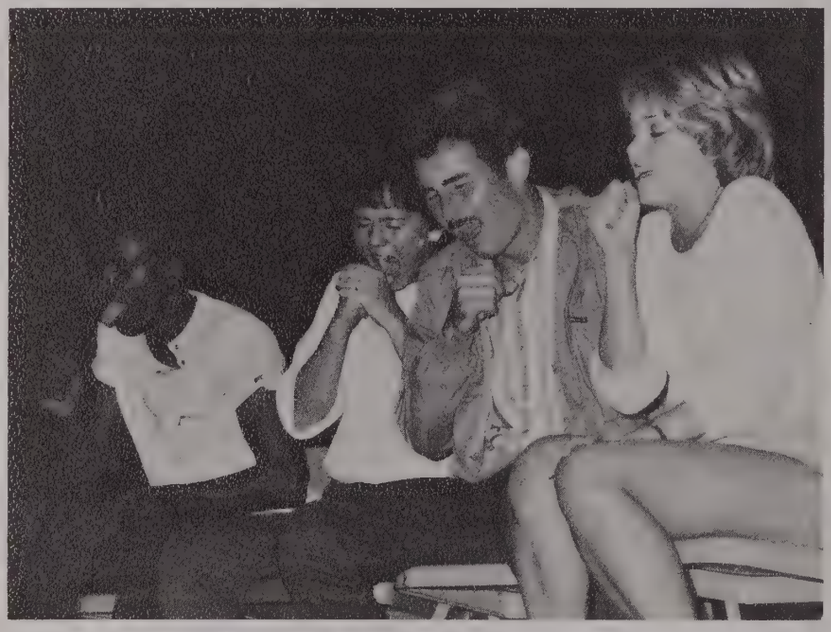

Hypnotist Gil Eagles

Hypnotist Gil Eagles entertained the incoming new students and the returning students as orientation/registration week concluded and the routine of day-to-day college began.

Eagles entertained with his feats of ESP and hypnotism.

Fall Convocation

The fall-quarter convocation is traditionally the official opening of the college year.

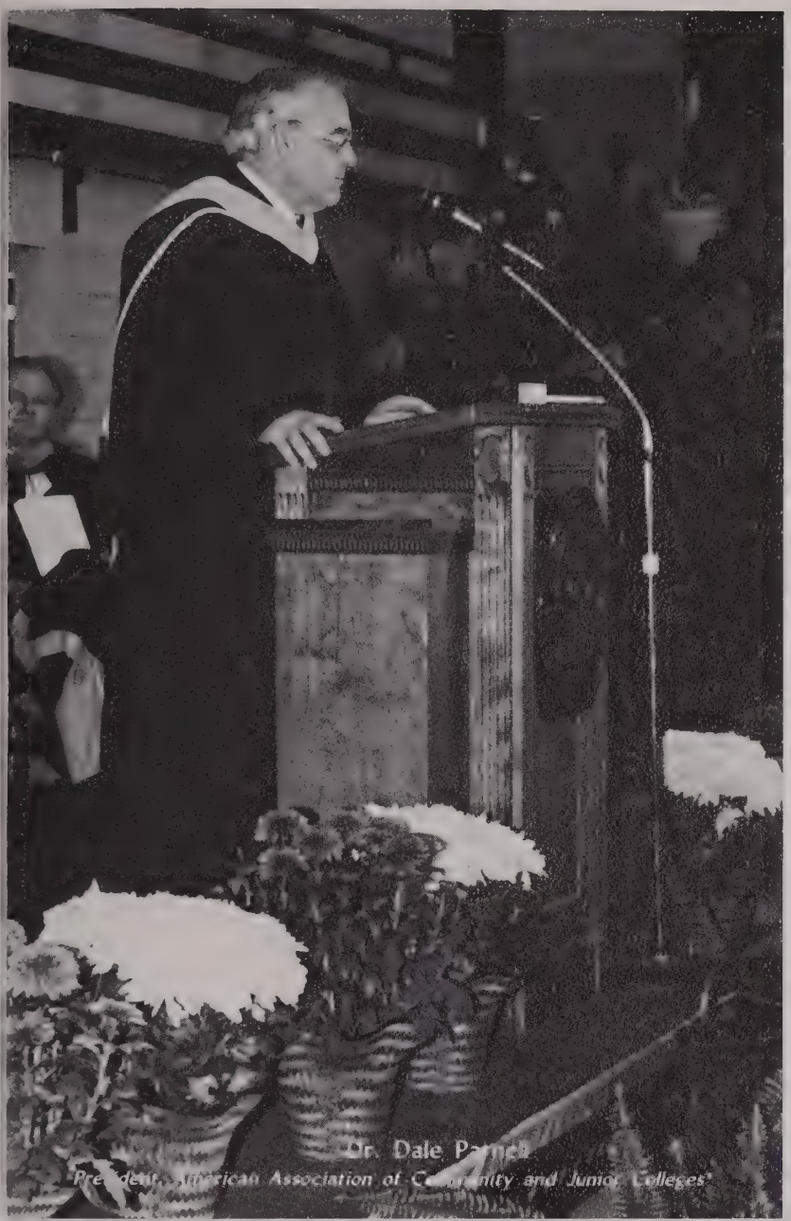

Guest speaker for the 1984 convocation was Dr. Dale Parnell, *President of the American Association of Community and Junior Colleges.*

The convocation marked the end of the celebration of the Centennial of the founding of New Ebenezer College. Representatives of approximately 75 colleges and universities were on campus for the festivities.

Included in the activities was a display of campus memorabilia in the gallaries of Russell Hall.

Dr. Vernon Crawford, *Chancellor of the University System of Georgia,* attended the event as the USG representative.

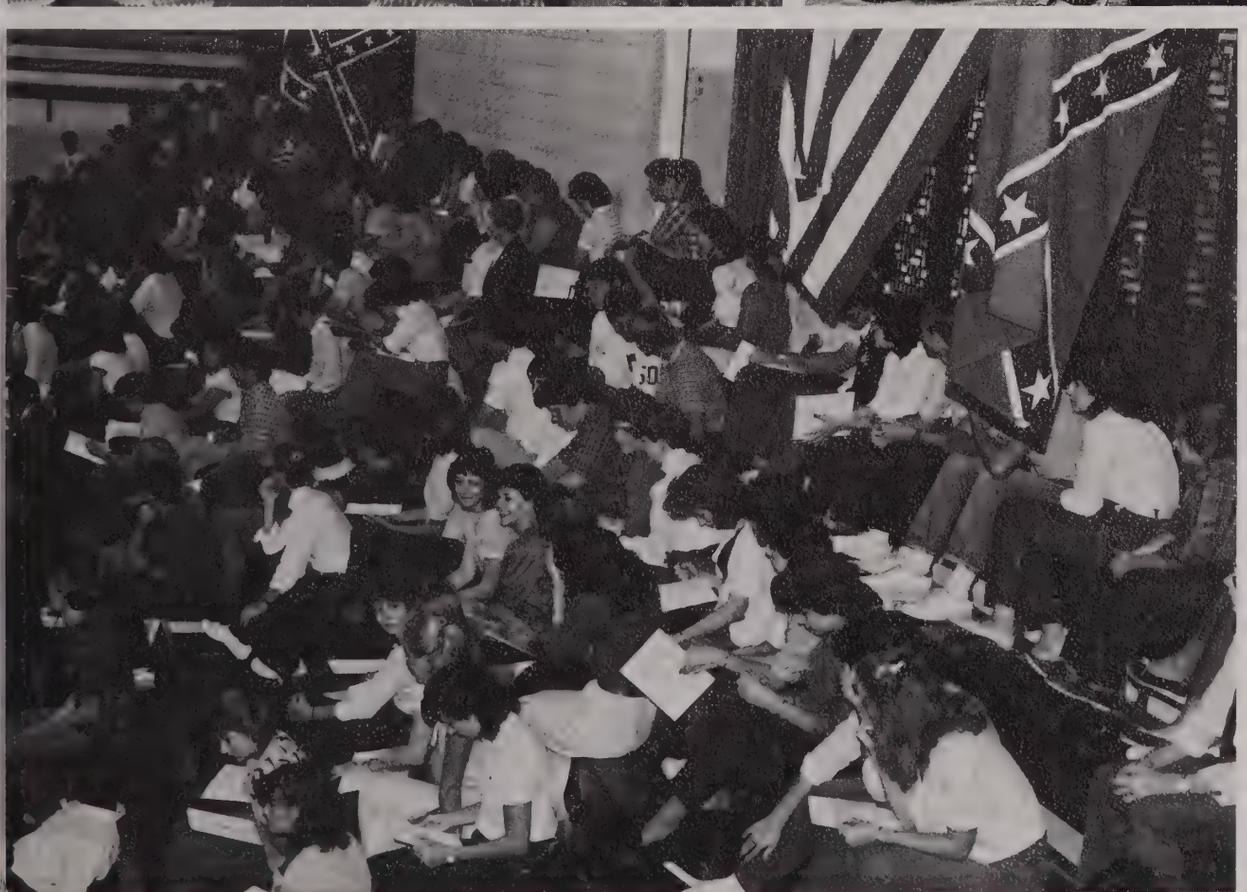

During the program, Dr. Parnell officially declared MGC the oldest junior college in America.

SGA Senatorial Elections

Fourteen SGA senators were selected early in fall quarter to serve as student representatives on the Student Government Association.

The 1984-85 senators elected were: Steve Amerson, Sevi Byrd, Melissa Cobb, Stacy Daub, Sylvia Herrington, Lisa Holton, Rodney Lamberth, Michael Love, Beth McClary, Gary Nobles, Cindy Perry, Paige Summers, and Patrick Witt.

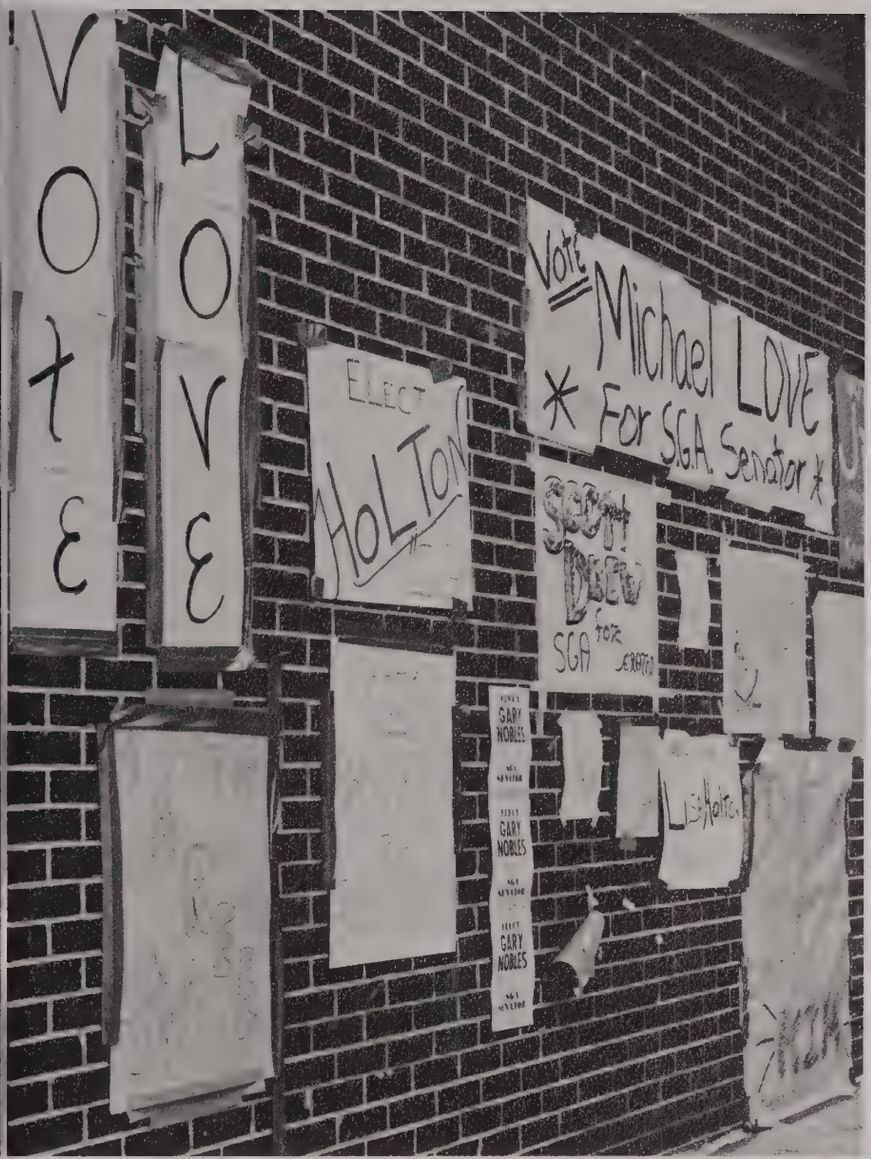

SGA officers are elected in the spring.

Homecoming '84

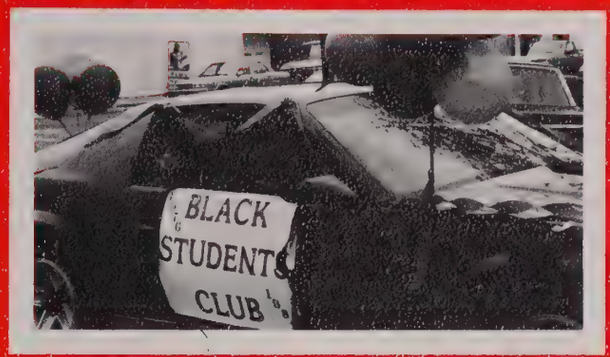

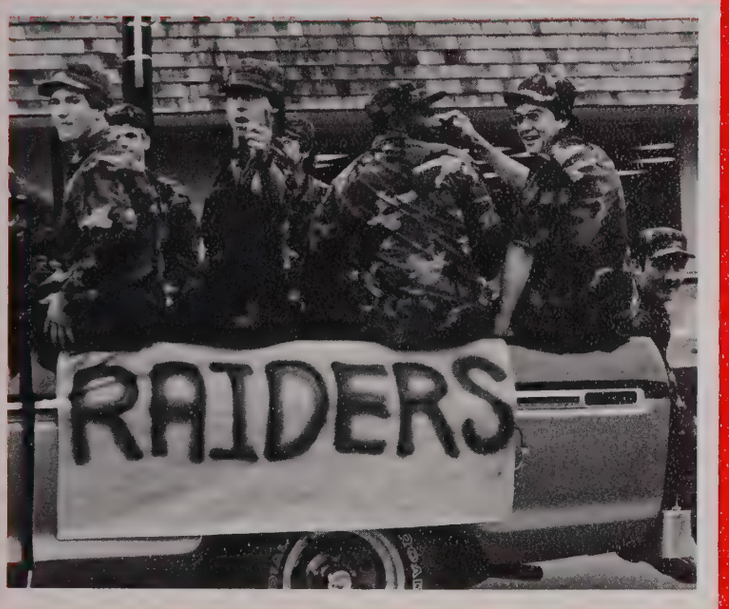

Homecoming is always the high point of fall quarter, and *Homecoming '84* was no exception.

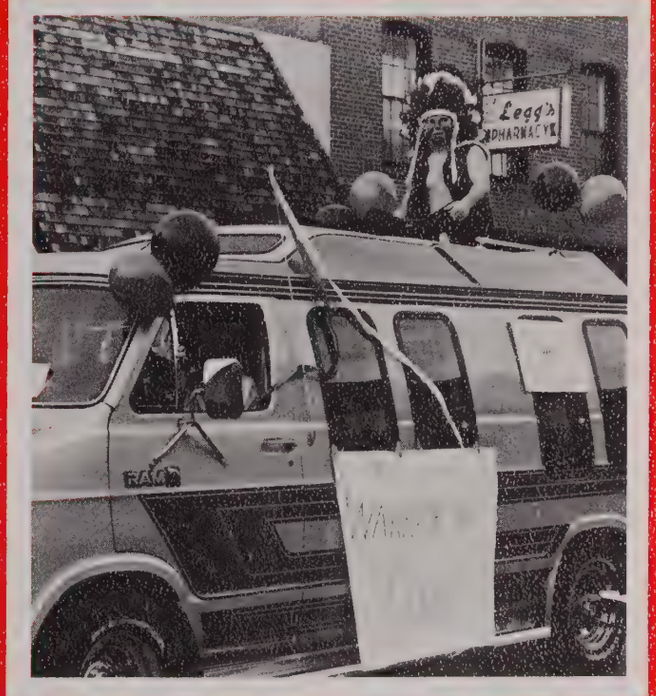

Campus organizations spent the week preparing for the parade. The MGC Players took first place for the best float, while the *Kernel* took top honors for the car division.

The weekend concluded with the annual *Homecoming* dance. Gilda Driggers was crowned *1984 Homecoming Queen*, and Leslie Steele was crowned *Freshman Maid-of-Honor* at the dance.

Coach Ben Rogers

Rogers Wins 300th Game

Winning 100 games as a college basketball coach is quite an achievement. Winning 200 games as a college basketball coach is very much an achievement. But, winning 300 games as a college basketball coach is almost unheard of.

For Middle Georgia College Coach Ben Rogers, number 300 came on Friday evening, January 25 against Gainesville Junior College.

"It was quite an accomplishment," Rogers said, "but it all goes back to the players that I have had over the years."

Rogers came to Middle Georgia College in 1968. Before that time, he had coached at Crisp County High School, Franklin County High School, and Thomson High School. He went from a 300-man program at Crisp County as football coach to a workable 20-man basketball program at Middle Georgia College.

His first year, he was 7-2 at MGC, but that was not typical of things to come. The next season he was 14-15. The following season, his program took off and he was 21-9.

For his efforts, Rogers has been Region 17 (National Junior College Athletic Association) Coach of the Year three times. He has had state championship teams four years — in 1974, in 1978, in 1980, and in 1985. And, he has twice taken his teams to the national NJCAA playoffs.

"We have had some very good players over the years," Rogers continued. "We have sent 85 players on to four-year schools on scholarship. We have also had several players drafted for the pros, but none have elected to sign."

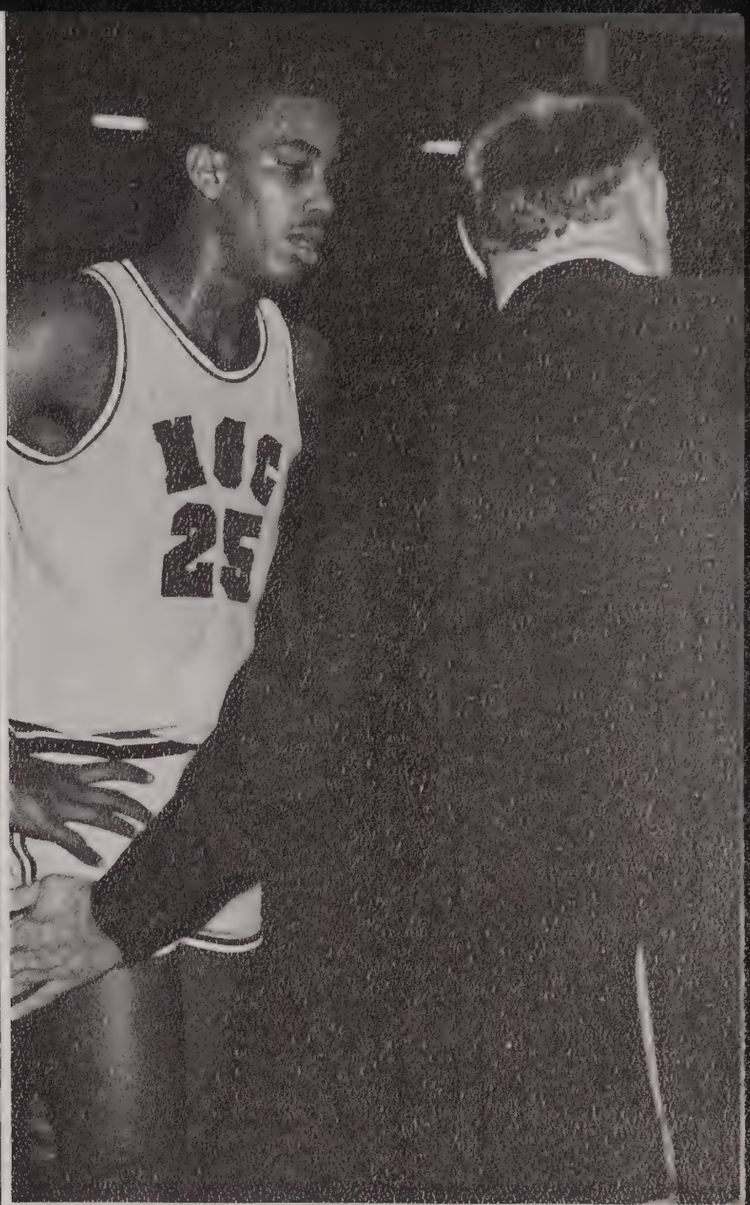

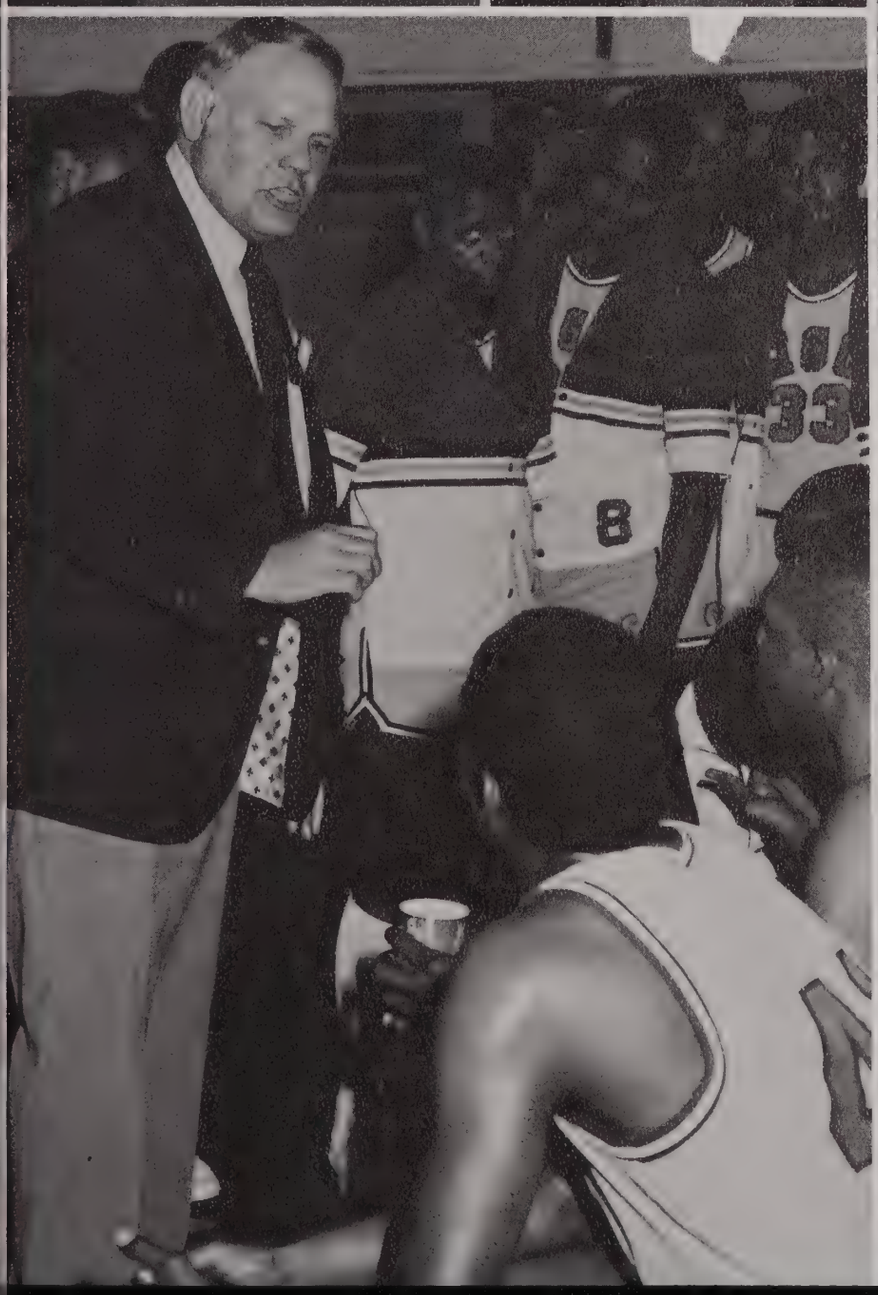

For his efforts, he is averaging just over 18 wins per year. Rogers has had only three losing seasons with the Warriors.

Rogers, originally from Bainbridge, did not play college basketball. Rogers was on the Troy State football squad during his collegiate years. "I played football," he said, "but basketball was my love."

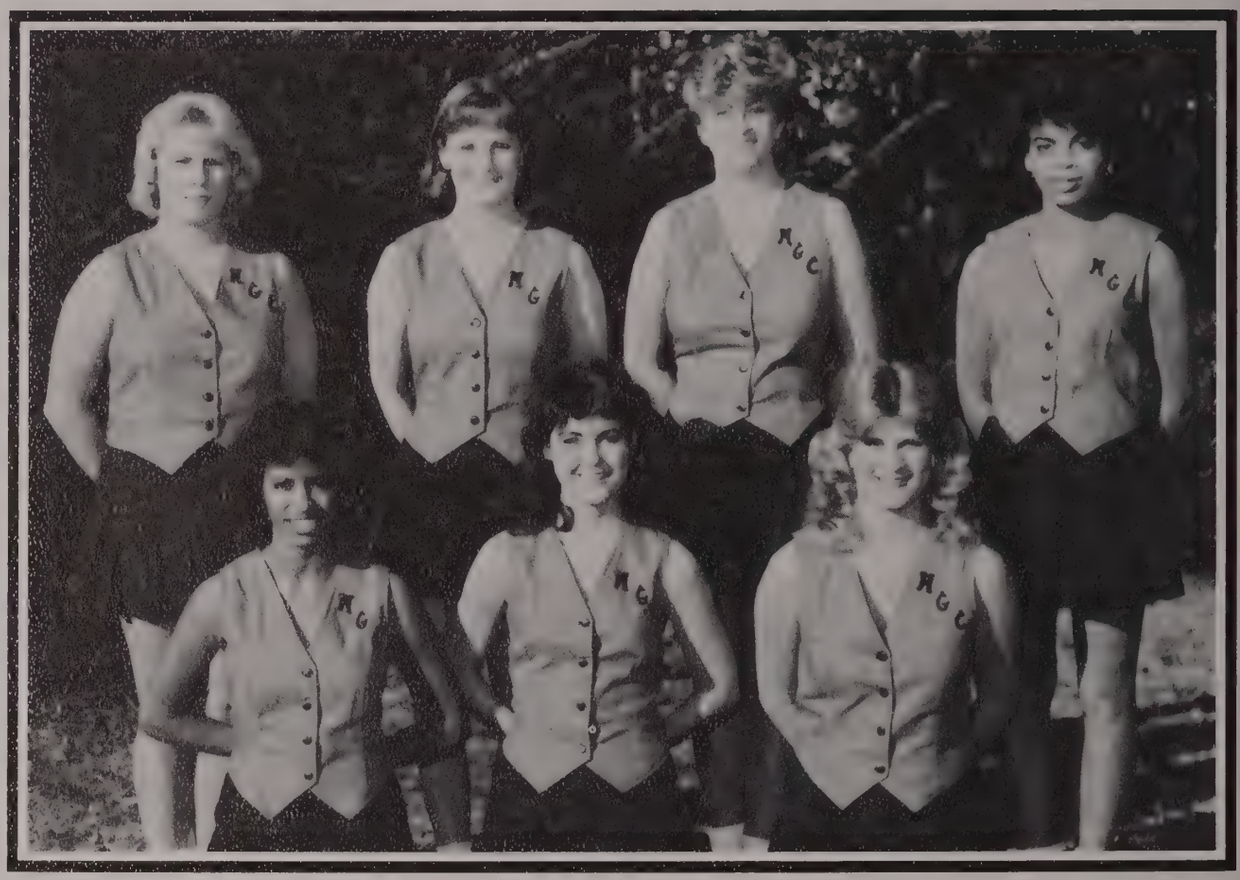

Cheerleaders

(L to R, standing) Tracy Butler, Sally Ann Spaulding, Lori Hill, Clamonia Hardison, *(kneeling)* Margaret Thomas, Nancy Mallory, Quinn Woody.

Squaws

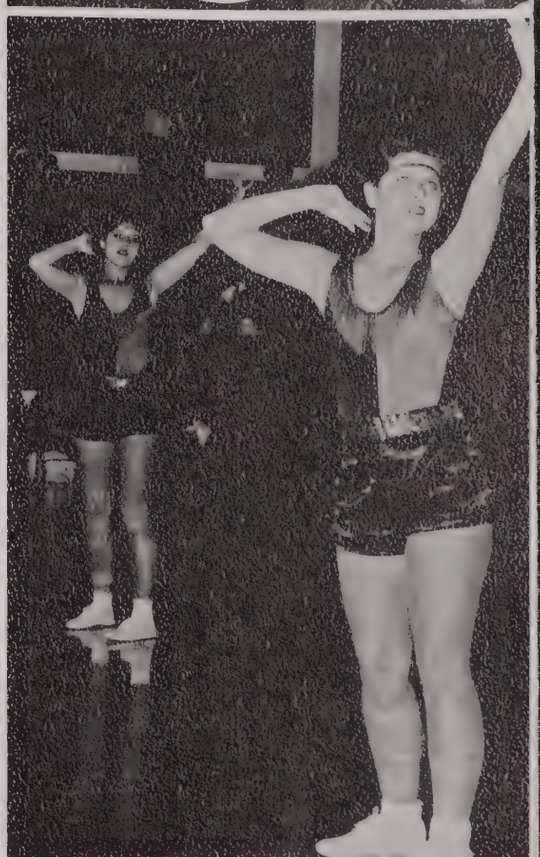

(L to R, standing) Elaine Smelt, Belle Joiner, Jamie Dixon, Amy Trunnell, *(kneeling)* Ellen Bracewell, Lisa McLendon, Russell Hinson - *Warrior,* LeeAnn Daniels, and Monica West.

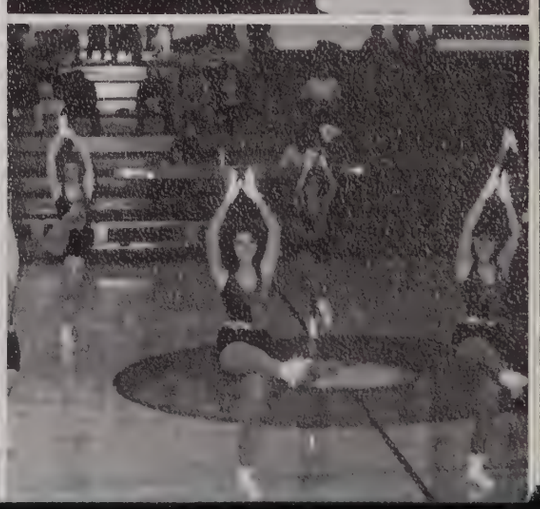

Baseball

(Sitting, l to r) Gregg Martin, Adrian Adkins, Warren Newson, Donn Perno, Tim Demoonie, John Keenan, Joel Smith, David Smyth, *(kneeling)* Brian Wood, Wes Treadway, Michael Turner, Kurt Voytell, Bubba Holland, Jay Kimbrough, Lee Burgess, Barry Luke, Sean McNeill, *(standing) Coach* Robert Sapp, Donnie Abercrombie, Mark Nicely, Joey Hardee, Lee Whatley, Scott Ellis, Alan Childs, Chris Graves, Pat St. Clair, and *Manager* Les Howard.

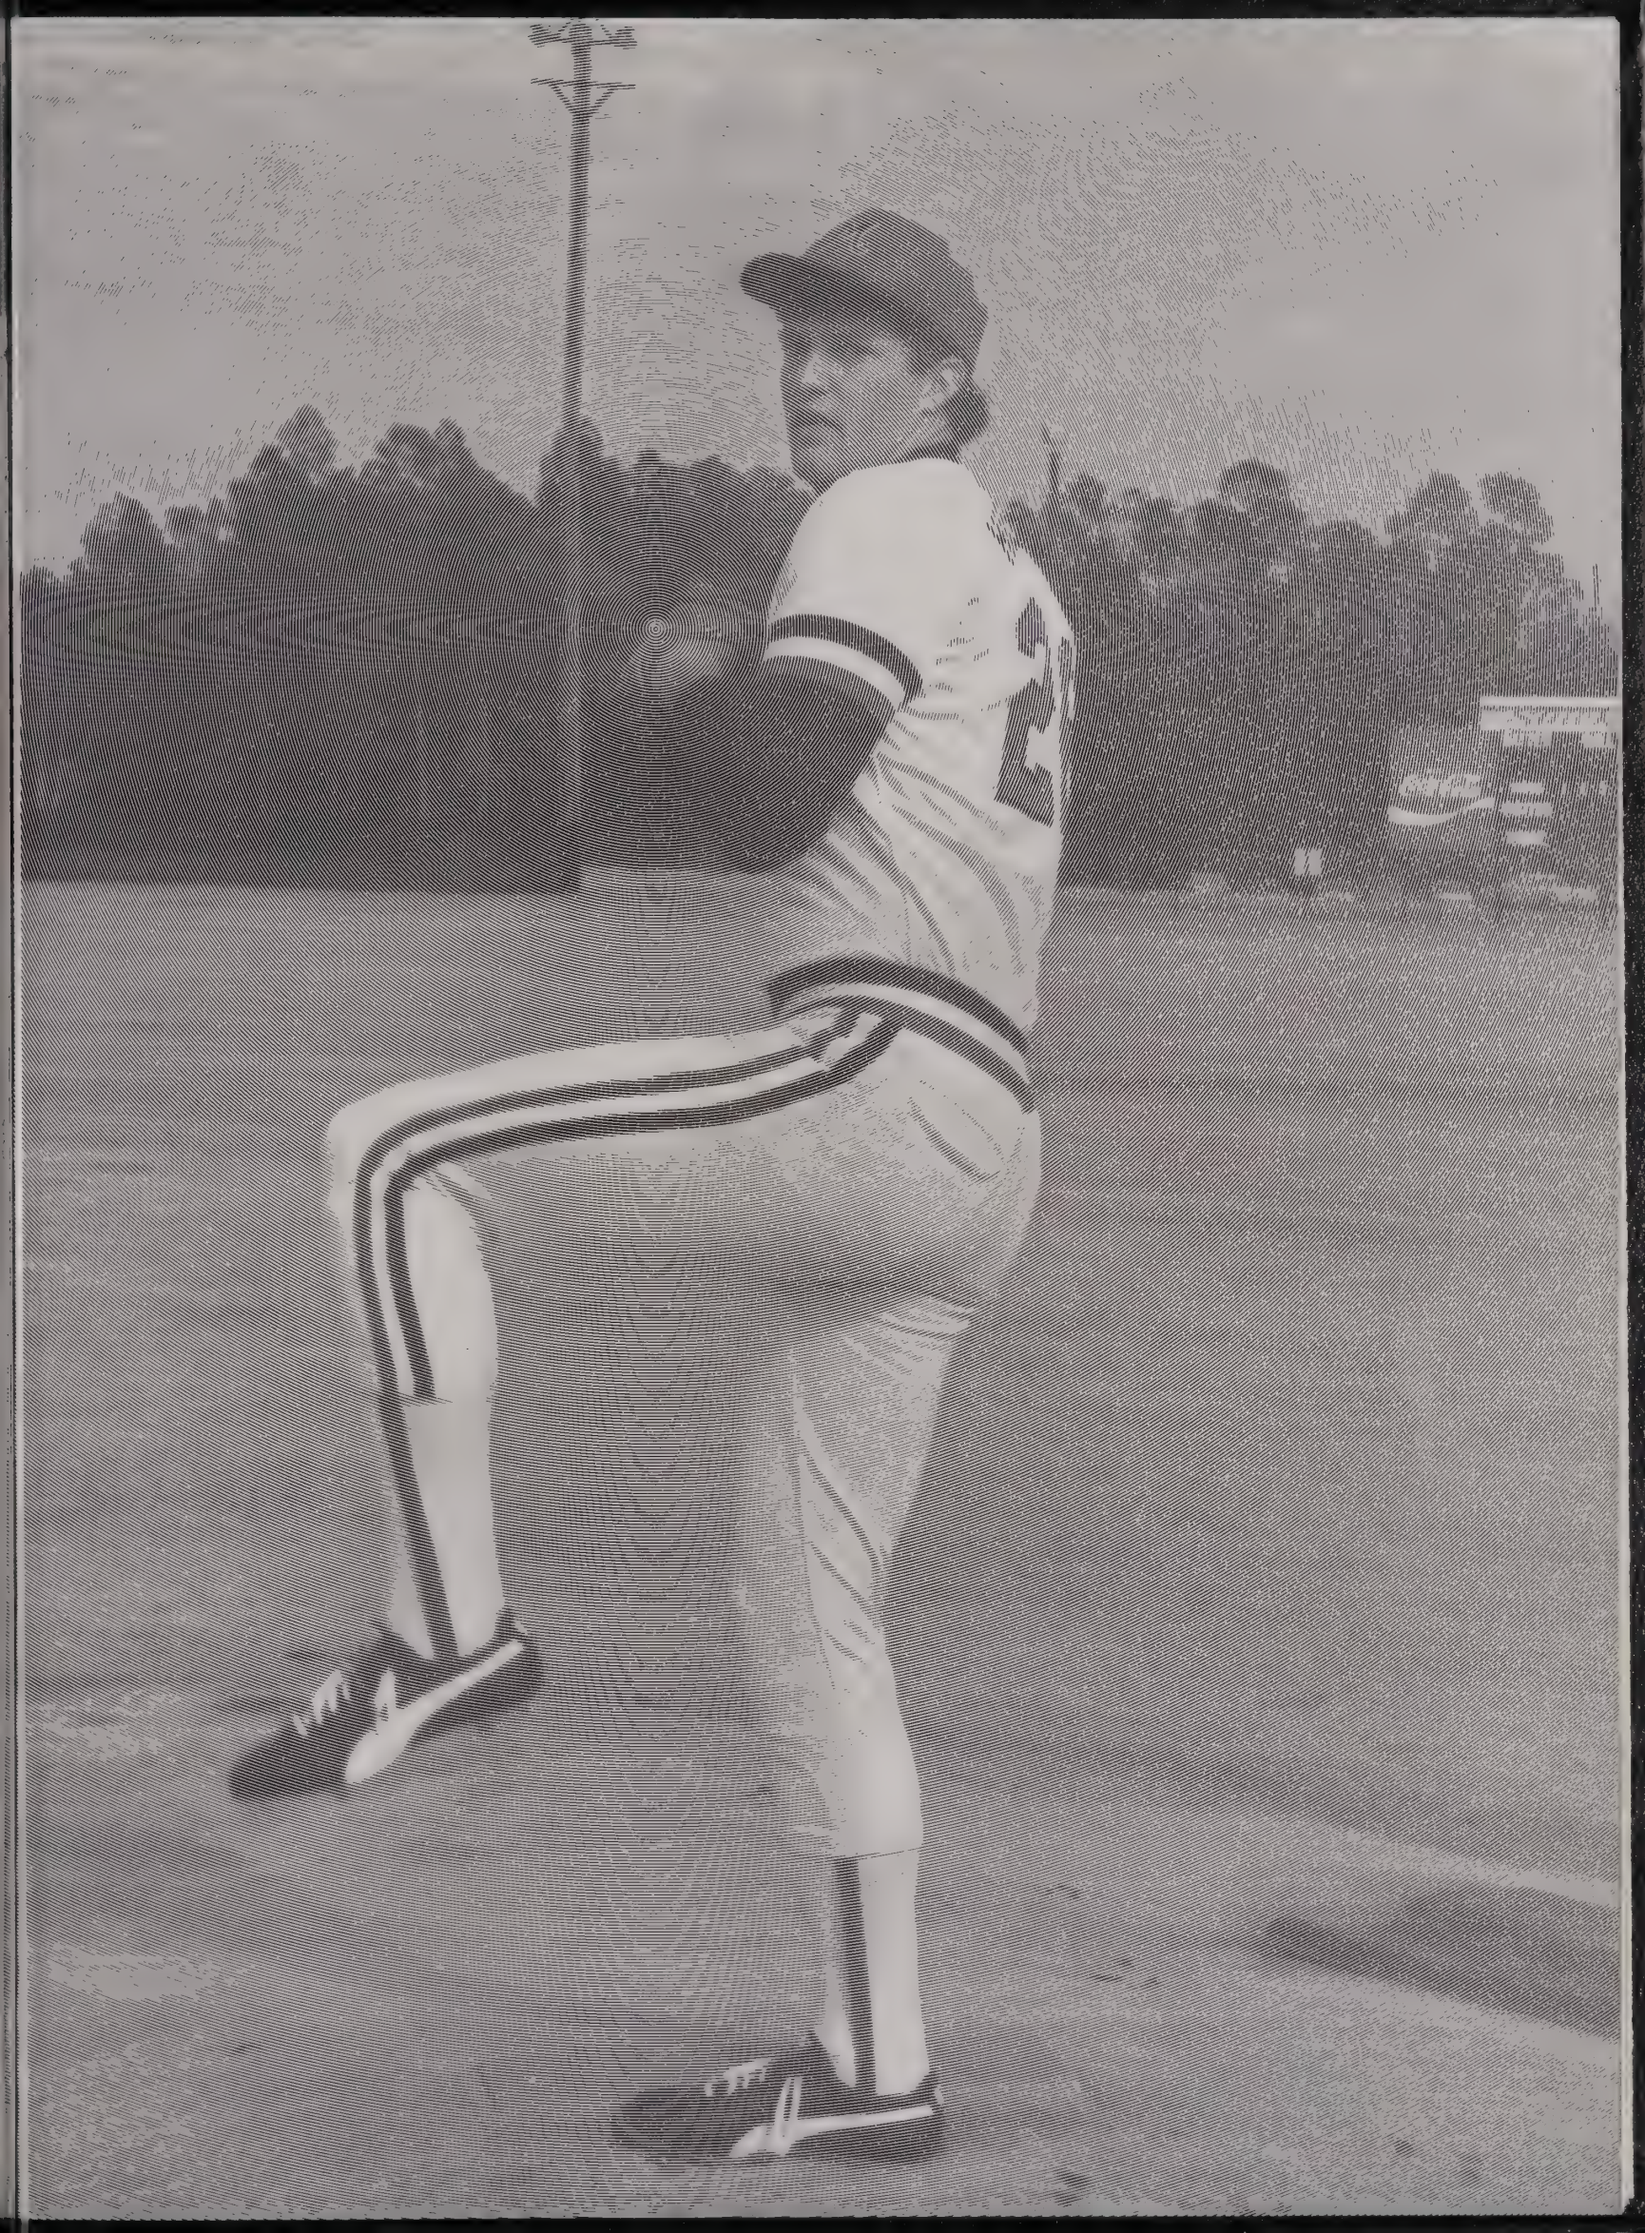

The Warriors went into the 1985 baseball season after a fourth-place finish in the NJCAA national tournament in 1984.

MGC finished the season with a 32-10 record for the regular season and a 13-3 conference record. Injuries and a lengthy losing streak plagued the MGC squad during the season.

The Warriors finished regular season play as the number-one team in the south Georgia district. They went on to the Region 17 tournament as the team to beat. They had to fight their way out of the losers' bracket, but they took the Region 17 title and the right to go to the Southeastern district playoffs in Montgomery.

Six Warriors were named to the *All-Region 17 Tournament Team.* They were Donn Perno, Michael Turner, David Smyth, Alan Childs, and John Kennen. Warren Newson was tournament *MVP.*

Newson was also named *All-Region.* Newson and Lee Whatley received *All-Conference* honors.

After a slow start and a season record of 4-6, the 1985 Lady Warriors finished their season with a third-place finish at the Region 17 tennis tournament.

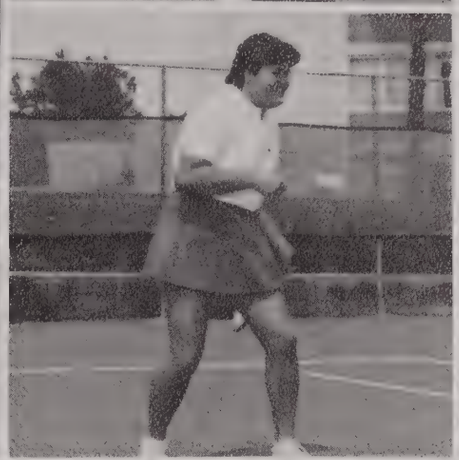

The Lady Netters had only two returning sophomores — Debbie Flanigan and Cynthia (CJ) Jones.

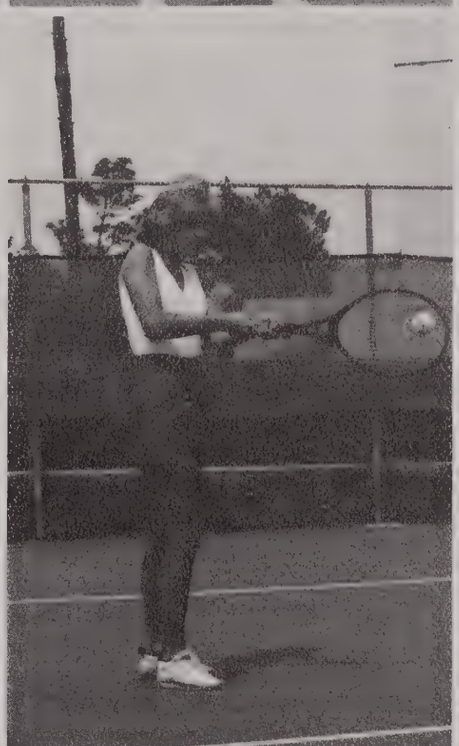

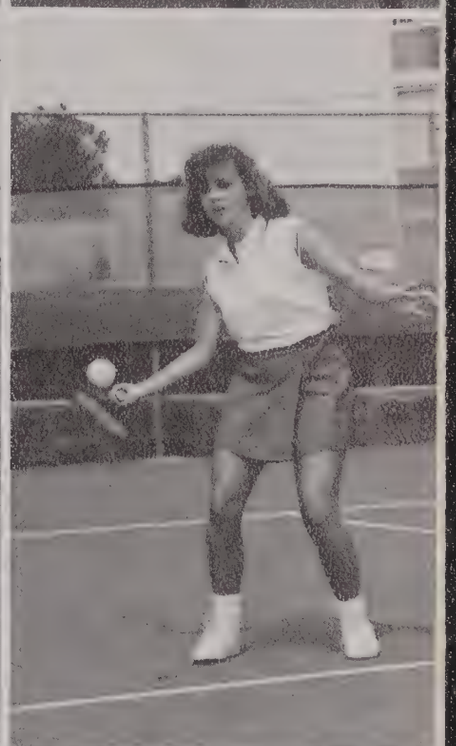

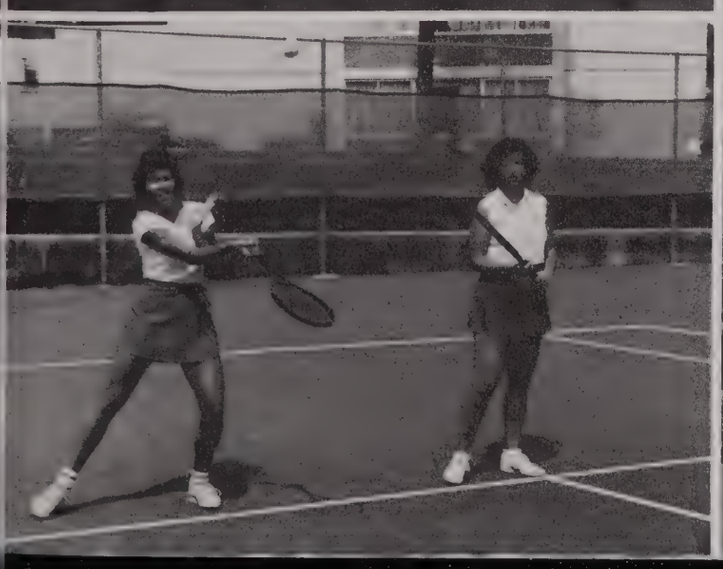

At the regionals, several players reached the semi-finals. Paige Banks, at the number-six seeded singles position, and the team of Banks and Julie McGowan, seeded at number three, made it to the finals of the regional competition.

Jones, seeded at number four in singles, mounted the best season record with a 6-2 mark.

Flanigan in her positions as number-one in singles and doubles, received the team's MVP award for 1985.

Warriors Finish Fourth in Region

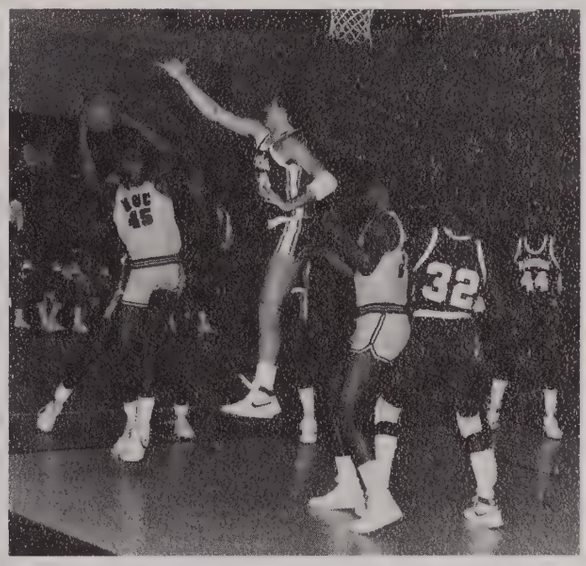

The Warriors of MGC went into the Region 17 basketball tournament held at DeKalb Central ranked number two in Georgia. They completed the season ranked number four in Region 17.

In round one, the Warriors sent the Stallions of ABAC home 53-51. But the Mariners of Brunswick Junior College out played the Warriors 88-64.

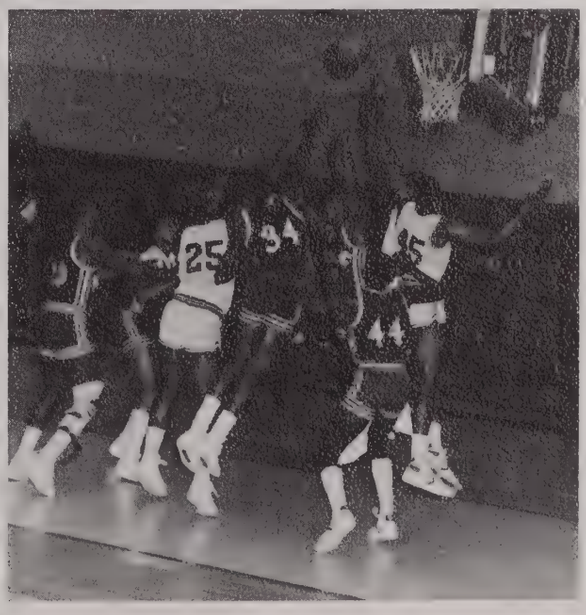

For his individual effort, Martin Stokes was named to the *Region 17 All-Tournament Team.*

In a strange twist of fate that has become almost a part of the Warrior story, the MGC Warriors were notified in late May that the number one team in the Georgia division had been disqualified because of an ineligible player and that the Warriors were the state champs. The change did not affect the Region 17 standings.

Vocal Ensemble Tours Europe

As Ambassadors Of Good Will

The Middle Georgia College Vocal Ensemble toured Europe as *Ambassadors of Good Will for the State of Georgia* during their Spring break.

For the past decade, members of the Vocal Ensemble have toured as traveling showmen representing Middle Georgia College. In addition to the trips they have made to Europe, they have traveled along the Eastern seaboard of the U.S., Hawaii, the Holy Land and the Bahama Islands.

Under the direction of Mrs. Myrtice Henderson, the 1985 trip included stops in England, Belgium, France, and Switzerland.

Science Group Tours Europe

A group of 15 Middle Georgia College students spent its spring vacation touring scientific points of interest in Europe.

The group, headed by MGC assistant professor Paul Elbert, toured points in Holland, Switzerland and France.

The trip was geared toward increasing the students' appreciation of science by visiting some of the most important scientific areas in the world.

Commencement

On Friday, June 7, Middle Georgia College awarded degrees to its 1985 graduating class. For 218 MGC sophomores, the day marked the end and the beginning.

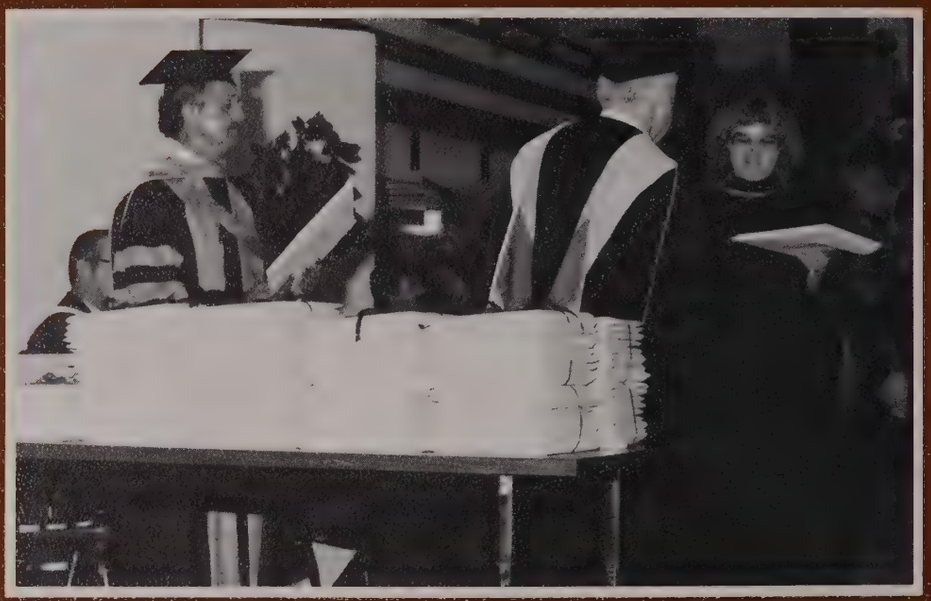

Dr. Robert K. Ackerman, president of Wesleyan College, was the commencement speaker. He challenged the graduates to make the very best of their opportunities.

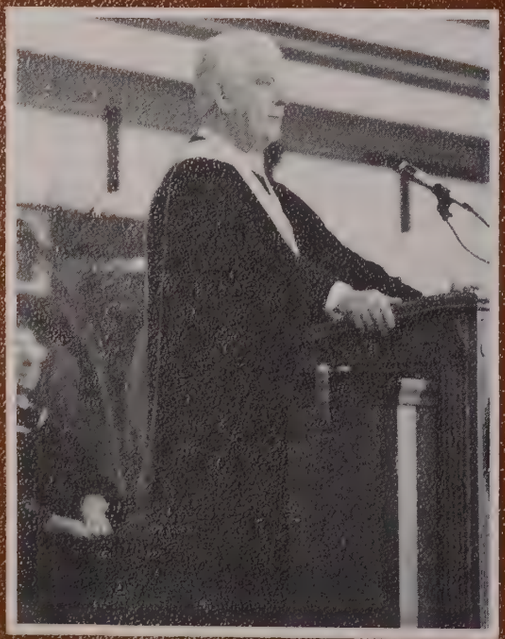

Commencement, traditionally marks the end of one part of a student's life, and more importantly the beginning of another part of his life.

Dean Hamby and Dr. Hruby Retire After 1984-85 Year

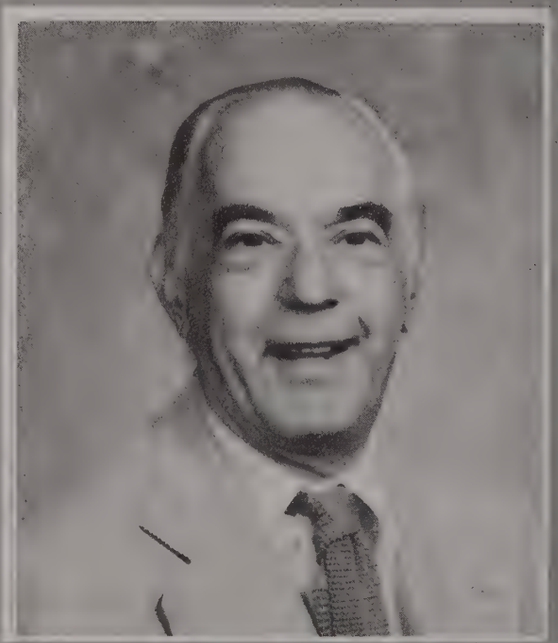

Dr. Louis C. Alderman, *president of Middle Georgia College,* presents Dean Jesse Hamby with the traditional silver bowl at the annual Alumni Banquet held on June 6. Dr. John Hruby could not attend because of illness.

Two MGC faculty members, Dean Jesse Hamby and Dr. John Hruby, retired at the end of the 1984-85 college term. Dean Hamby had served MGC for 29 years as dean of students. He retired with the faculty rank of professor of history. Dr. Hruby retired after 10 years of service to Middle Georgia College as an associate professor of speech and drama.

Both Dean Hamby and Dr. Hruby were honored at the annual Alumni Banquet held on Thursday evening, June 6. Traditionally, MGC retirees are honored at the annual alumni meeting on the evening before graduation.

Both Dean Hamby and Dr. Hruby were presented with the traditional silver bowl upon the completion of their service to MGC. Because of illness, Dr. Hruby could not attend the banquet.

Dean Hamby continued his service into summer quarter following graduation.

As I sit down to complete the assignment before me of writing my editor's page, I can only pause a few moments to reflect on the past two years.

Middle Georgia College is an extremely special place to me; every faculty and staff member, and every individual student is unique and has qualities that one finds only at our *alma mater*. There is a closeness here among acquaintances that can be described only as eternal friendship. Ties have been made with others here that will never be broken, only treasured more through the years.

When I entered Middle Georgia as a freshman last year, I had never paused to realize how hard it might be to leave. Yet, now the time has come for graduation and for moving on to other places. However, memories of Middle Georgia College will always linger and never fade.

Being editor for the *Hilltopper* has truly been an honor for me. I've met so many people and learned so much from being allowed to fill this position. I would like to thank several very special people for their help to me this year. To Ken Joyner — no words could ever describe how much you have taught me these past two years. You are what makes the *Hilltopper* a reality. Thank you for your endless dedication, hard work, and pushing me to make me meet those never ending deadlines. Even though I have failed to say thank you when so often when it was due, I want you to know there is no possible way I could have made it through this year without your continuous help and guidance. You have meant more to me than you will ever know. Thanks, Ken!

To the *Hilltopper* staff of 1985 — Karen, Angie, Johnnie, Desiree, VaRee, Dawn, Sylvia, Leslie, Mike, and Margaret — thanks to each of you for everything you have done to make the *Hilltopper* a success. Our three photographers — Dewaine, Chuck, and Kerry — deserve so much more than "thanks." Without them, our yearbook would not have existed. Thanks, guys, for all of your help and all of those endless hours that you spent behind the camera and in the darkroom.

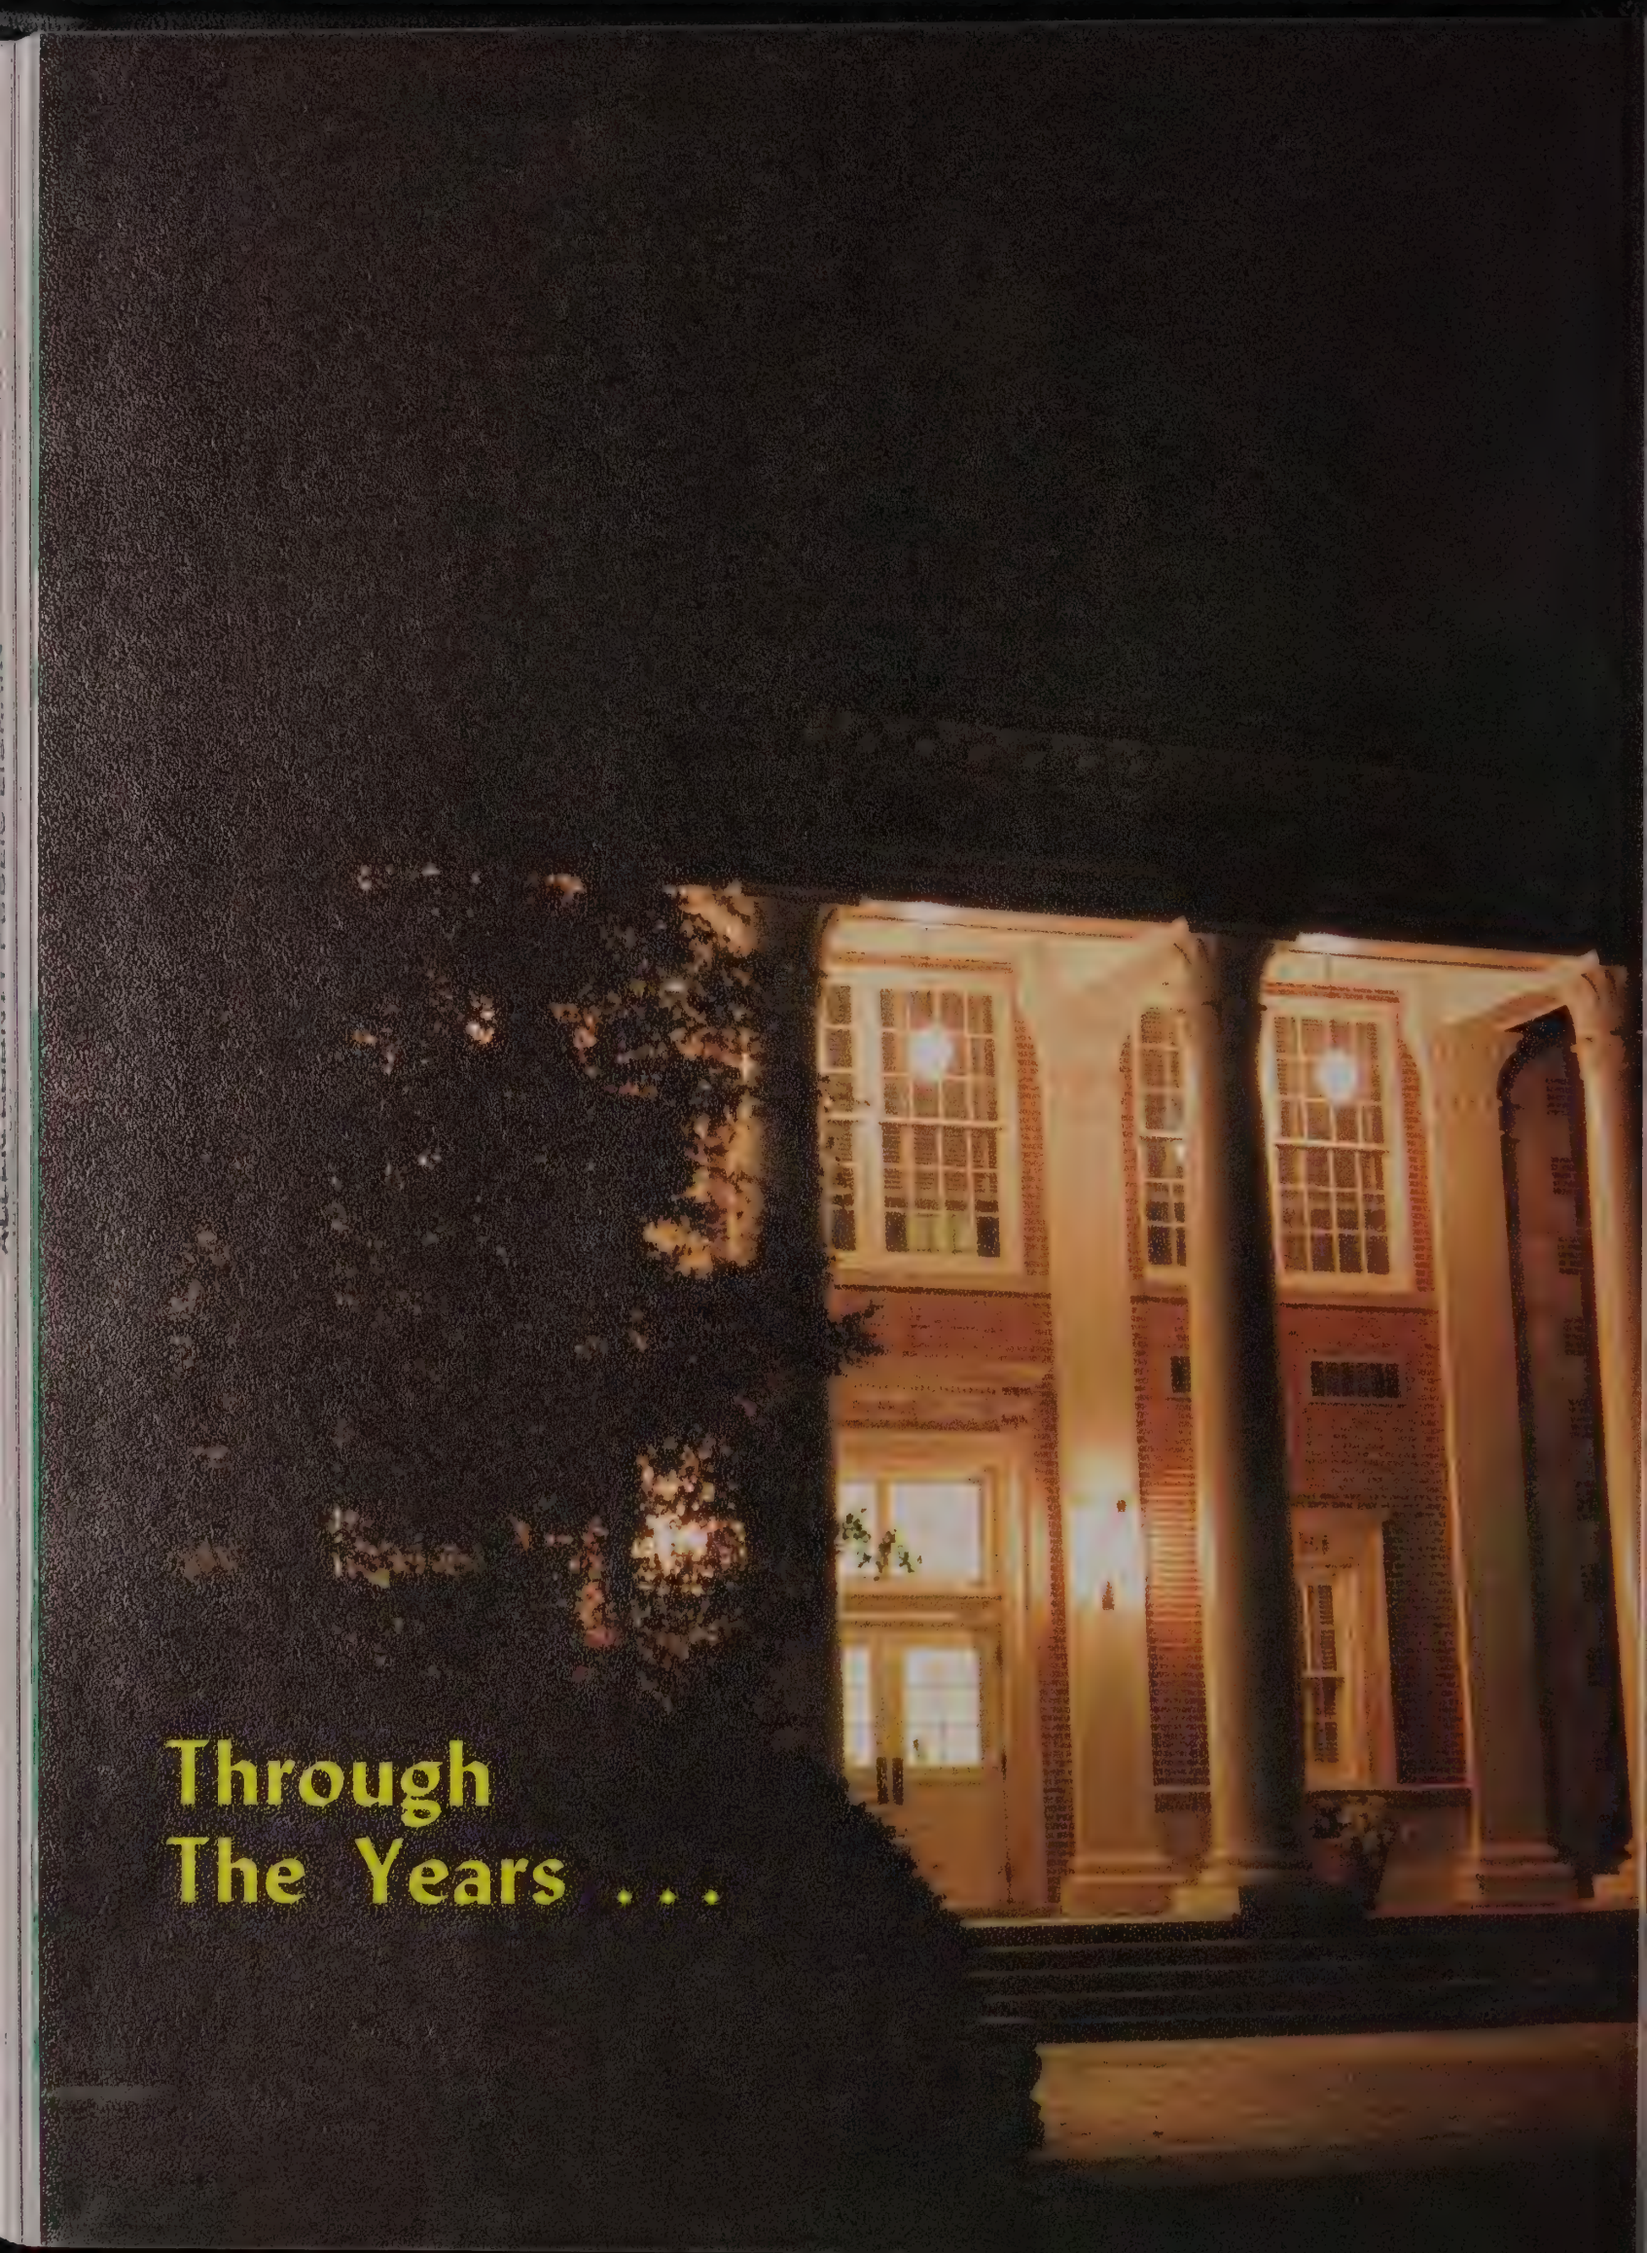

On departing from Middle Georgia, I want to thank everyone who is a part of what makes our school the best — thank you for your contributions and help this year. To all present students, I hope your years here will be as enjoyable as mine have been. Best of luck to each of you, and May God Bless You.

We hope that the *Hilltopper* '85 will serve as a lasting reminder of your time at MGC . . . *Through the years* . . .
